Account Activation **CASHLESS CANTEEN CARD**

www.QuickCliq.com.au

Your school has made an important change to create efficiency within the school to give you more control when purchasing from the canteen.

With the Introduction of the new online ordering solution within your school canteen, you now have the opportunity to pre order lunches online using "QuickCliq".

QuickCliq will allow you to pre order meals and register your existing student 10 card or student travel card. Once registered you'll experience even greater flexibility as over the counter purchases can be made with your cashless canteen card.

ORDER 24/7

HOW TO GET STARTED:

It is as easy as securely registering at www.quickcliq.com.au, add a student and add credit.

You are now ready order online

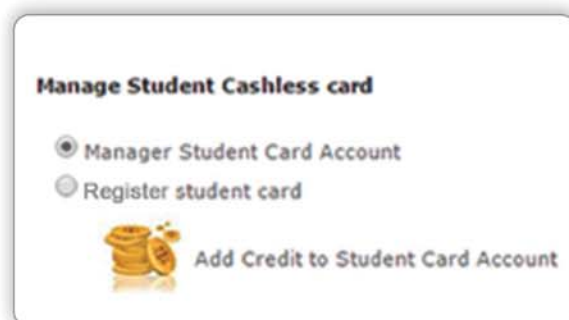

HOW YOU ACTIVATE A CASHLESS CARD:

1. Register a Student Card

- Go to 'Students' tab and select student
- Select 'Register student card and complete the fields
- Activating public transport cards insert your SR number
- If you have other student ID cards, see further instructions in the news section

2. Transfer Credit

- Select an amount you wish to transfer from your main account and select 'Transfer'
- Ensure you have sufficient funds in your account prior to transfer

YOUR CARD IS ACTIVE NOW

Note: If you are using a transport card, credit with QuickCliq cannot be used for transport payments.
